

Thank you for auditioning for the Youth Orchestras of Charlottesville-Albemarle.

Our conductors and adjudicators have taken great care and consideration in determining whether a musician is ready for the repertoire for the upcoming season. As there is a shifting process between orchestras that determines openings, YOCA conductors and management are committed to insuring that accuracy and fairness are exercised for each individual audition. This is the reason it takes time to make final placements and we thank you for your patience in waiting for the results.

Over the past several years, the talent and preparedness of our auditioning musicians have increased tremendously. This makes the competition for the limited number of seats in each orchestra extremely difficult. If you auditioned and did not make the orchestra of your choice, we hope you are encouraged by the fact that you were among an outstanding group, over 110 musicians, and we urge you to continue on your instrument and audition again next year.

Attached are the audition results for The Youth Orchestra, The Evans Orchestra, Prelude Flute, Flute Choir and YOCA Flute Ensemble.

Please note the following:

- All string members who did not make it into the next orchestra will retain their seat in the orchestra they played with this past season if this was indicated on the application.
- All **string** members are listed in alphabetical order, not seating order within their section.
- If the word "**provisional**" is by your name, the conductors would like you to re-audition in late August to make sure you are ready for each orchestra's repertoire.
- There are no new horn placements in the **Horn Section** of the Youth Orchestra. Placements will be made pending completion of horn auditions.

Whether or not you have been accepted into an orchestra or ensemble, we extend our congratulations to each and every one of you for your participation and the courage. We hope that each you will consider the process part of your musical education.

In the next few days, new Evans and Youth Orchestra members will receive important information regarding the upcoming season. So please be sure to check your email regularly. (Checking your spam folder is also advisable).

Please feel free to contact me if you have any questions regarding your audition or any other questions you may have.

I always enjoy seeing everyone at auditions and meeting new faces. My heartfelt applause goes out to each and every one of you!
