

# *The Martha Dugan Concerto Competition and Concert*

*This Competition and Concert was named after Martha M. Dugan, a long time patron of the arts and supporter young musicians.*

*Involved for many years with the Sewanee Summer Music School in Tennessee, Martha moved to Charlottesville where she continued to encourage young musicians to develop their talents and pursue their dreams.*

*As a major contributor to the Youth Orchestras of Charlottesville-Albemarle, we have been able to sponsor this wonderful competition and concert annually. Her daughter, who also resides in Charlottesville, continues her mother's legacy as a nurturer of the fine arts.*
